SC:
sees ~~SC~~ as "our soon instrument
in the ME"; SC worried about Iran, on its
border.

Sees a race between US & Iran to control
the Persian Gulf States; a military move
in Saudi Arabia

with SC delighted(?), maybe Saudi Arabia
helps — a deal, Saudi stops support to Syria
within a year

(But, US support to Iran? "Cross-purposes in
Arabia?")

"Maybe Colby feared CI people
salvaging detente" — helping Jackson."

(Krogh: thinks Colby looking about domestic ops
of CIA, — so Committee may come up with something.

But — Hawk — Committee Chief during Bay of Pigs! AF/CIO:
— CIA!)
